

Eastvale Girls Softball Select Policy

1. GENERAL INFORMATION

1. The EGSA Select program is separate from the All-Stars. A player on a Select team cannot also play on an All-Star team simultaneously. EGSA will participate in the summer All-Star program as outlined by USA Softball.
2. The EGSA Select program will only be for the 8U, 10U, 12U, and 14U and HS divisions.

 - The EGSA Board of Directors may make exceptions for injuries, illness, or other justifiable circumstances. A player who fails to meet at least half of her weekly recreational team obligations, including games and practices, may be prohibited from participating in that week's EGSA Select team event. Issue to be raised by REC Manager
5. Participating in the Select team is an honor and requires a full commitment for the entire Select season. Players are expected to attend every practice, friendlies, or tournament play. Failure to do so may result in the player forfeiting their right to participate in future Select or All-Star teams.
6. For the purposes of this policy, a "week" will be defined as starting on Sunday and ending on Saturday
7. A player may not request to participate on a certain team. (i.e. gold/silver)

4. PLAYER SELECTION

1. To be eligible for an EGSA Select team, a player must be registered with the league to play in the current season as defined in the above Spring and Fall season
2. Open tryouts will be held for each division and will be open to any player that wishes to play on the EGSA Select team. There is no invitation or nomination needed.
3. EGSA will utilize a scoring rubric to assess the performance of each player. The scoring rubric will assess for fielding, throwing, hitting, accuracy, and speed. The scores from the Selection Committee will be averaged for a final total score, with the maximum score being 25. Any player who receives a score of 15 or higher, will have the opportunity to advance in the tryout process and participate in a scrimmage the following week of assessments. The scrimmage will not yield a score for any player. Players will play in the positions the Select Manager chooses. Note: A scrimmage will only take place based on the number of registrants for each division
 - Members of the Selection Committee will each create a roster. Players who are on all five rosters will make the final roster. Next, players who are on 4 out of the 5 rosters will make the final roster. This will continue until the roster has nine players.
 - Pitchers and catchers may only assess for Select, if they have assessed for REC. There will also be a separate scoring rubric for pitchers and catchers.
4. A Selection Committee will bear the burden of selecting the team rosters. The Selection Committee will consist of the Potential Select Managers, along with 2-3 Board Members; with one being the Player

Agent of the specific division. Should any of the Board Members on the committee have a child trying out for the team; the committee burden will fall to the next board member in line as appointed by the All-Star Commissioner (unless there is a conflict of interest).

- The Selection Committee may select 9 players per roster. The Select Manager may choose 2-3 additional players who made the eligible list.
- The Selection Committee will prioritize and focus on selecting the best 11-12 players to represent Gold. Then the Silver roster can be selected with the remaining eligible players and so on.
- If there is a division with two Gold or Silver teams, the Selection Committee will ensure the teams are made up equally with the best players.
 - a) USA Softball designates whether a team is considered Gold or Silver.
- The Selection Committee will attend Select try-outs strictly as assessors, without any involvement in conducting the actual drills, except for setting the agenda. They will then meet immediately to work together and finalize the rosters. It should be noted that the Gold team will be created without considering the impact on the Silver team, including key positions such as Pitchers and Catchers.
- Roster must be finalized amongst the Selection Committee and turned in immediately following the draft (same day) to the All-Star Commissioner (unless conflict of interest).
- If there are multiple EGSA Select teams, all teams shall be announced/notified at the same time.
